Strong families can foster healthy & successful children. It's not always easy to make a happy home when families are faced with complex issues. When children have been removed from the home or are in danger of being removed, parents receive counseling & education to restore family stability. Our counselors can help families: Cope with their family's difficult situation; *Learn anger management skills; *Set family goals; *Improve communication skills; *Develop better interactions with their children; *Explore safe housing options; *Learn about & access community

resources. We provide help & support to cope with special challenges such as finances, mixed emotions & confusion from children, plus the stress associated with parental visits year round

Parent Education Classes equip parents with the skills to deal with the many unknowns of child-rearing. Our experienced & caring instructors help guide you through the developmental needs of your child & provide tools to effectively manage behavior. We offer a variety of services & classes to help you & your family navigate the challenges of parenthood & delight in all the joys that children bring. Financial aid available

We can help you find a path toward resolution & relief with affordable professional counseling services for adults, couples, children & families, as well as services for businesses through our Employee Assistance Program. We offer services tailored to your needs including: *Stress, *Communication problems; *Relationship/marital troubles; *Difficulty making decisions; *Children & teen behavioral problems; *Financial troubles; *Grief & loss; *Returning from military service overseas; *Past abuse; & many other issues.

Midwest Psychological Center

Ruckle Center Group Home

3676 N. Washington Blvd.

Indianapolis, IN 46205

317.923-3930

www.midwestpsych.com

Ruckle Center provides therapeutic group home services in a caring, nurturing home supervised 24 hrs. dy. Youth without major behavioral problems who are focused on transitioning to self-sufficiency are appropriate for referrals. A service plan will be tailored to the individual goals of each youth. The program focuses on preparing teens for life on their own, while learning from their mistakes & learning how to be resourceful. The program is highly structured & youth are continuously encouraged to achieve new goals. As youth move from Phase I to Phase III, they will receive less supervision.

14-21 yrs./Year round

Washington Place Group Home

Washington Place is a therapeutic residential group home, supervised 24 hrs/dy., next to Midwest Psychological Center with a capacity for 10.

Adolescents struggling with behavioral problems, attachment & separation issues, chemical dependence & family discord are deemed appropriate.

Helps youth understand & resolve personal &/or family issues, prepares child to return successfully to the care of parent(s)/guardian(s), or to provide ongoing care, support & direction, leading to independent living. Developing healthy relationships is of prominent importance.

Males, 8-21 yrs.

Year round

(Hamilton Co.) The Teen Anger Management Group helps youth learn to manage their anger. Covered topics include: identifying anger, normalizing anger, consequences of anger, Identifying anger triggers. The body's physical response to anger, assertive, aggressive & passive thoughts, & actions, problem-solving, ways to safely release/express anger & dealing with other's anger. The group is open & ongoing, interested youth may begin at any point. Groups are limited to 12 participants to assure comfortable interactions. The group consists of 8 sessions & is facilitated by, or facilitated under the supervision of a masters level clinician

13-17 yrs./Year round

(Hamilton Co.) Bureau Counseling Services: A psychosocial assessment will be done for each family at the initiation of counseling. Based on the assessment, an individualized counseling plan will be developed. May include individual & family counseling, referral to appropriate community resources, & collaboration with community resources through regular communication. The counseling plan & goals will be reviewed on a regular basis & revised as indicated. Therapeutic methods to be used will be suited to the needs of the family. Counseling services are provided by a Licensed Clinical Social Worker (LCSW)

MCCOY champions the positive development of youth through leadership on key issues and support of the youth worker community. To accomplish this mission, we work on many issues, with many organizations, and in many capacities. At the core of our approach are four strategic roles: advocate, resource, capacity builder, and convener.

MCCOY's vision is that every young person in Indiana has opportunities to thrive, learn, engage and contribute.

This resource is made possible thanks to the generous support of **The Indiana Department of Child Services**
