

2020 Youth Activity Directory Sponsorship Agreement

Each year, MCCOY prints 10,000+ copies of the Youth Activity Directory and maintains a searchable online website. We strongly believe that this tool can truly make a difference for children, teenagers and families in our community. All families, especially those in need of resources, can find something inside the Youth Activity Directory that will benefit and enrich their lives. Please help us make this FREE resource available to as many people as possible. Thank you!

ABOUT MCCOY

MCCOY was created in 1993 to be the youth-services intermediary organization in central Indiana. In this role, the organization serves as an *Advocate, Capacity Builder, Convener and Resource* for those who serve youth. We have accomplished much in the past 25 years and look forward to the future!

As central Indiana's most trusted champion for youth, MCCOY helps ensure that every young person has innovative opportunities to thrive, learn, engage, and contribute.

- As an advocate, MCCOY unites individuals and organizations to promote youth voice in public policy.
- As a capacity-builder, MCCOY provides tools and trainings for youth professionals to build skills and effectively serve young people.
- As a convener, MCCOY gathers passionate community members in partnership to build solutions for youth issues.
- As a resource, MCCOY connects young people and their families to the programs they need to achieve their dreams.

With these perspectives in mind, we're excited to publish the Youth Activity Directory (YAD) for the 22nd year, and the app for 4th year! The YAD is also available as a PDF on MCCOY's website.

We produce this resource with one key goal – to help families, youth, and caring adults find the best programs, the programs that help children and teens develop the skills, knowledge, and attributes they need to be productive and healthy.
